Tri-Link SG Green 18-3-18

80% Slow-Release Nitrogen

SG Green = Soluble Homogenous Granule, Fast Dispersion, Zero Mower Removal

— 100 SGN —

Tri-Link SG Green 18-3-18 is an enhanced, homogenous greens grade fertilizer manufactured to deliver critical nutrients. Tri-Link SG Green 18-3-18 packages readily and slowly available N providing an immediate plant response followed by consistent release over time. Product granule size allows for uniform spread without compromising playability, making SG Green desirable for use on turfgrass maintained at low mowing heights.

Directions for Use

For all applications:

- Ensure application equipment is properly calibrated prior to application.
- Apply to dry foliage.
- Following fertilizer application, water in at a minimum of 0.25 inches to promote incorporation into turf canopy.

Nutrients applied at given product application rate.

Product	N	P_2O_5	$\mathbf{K}_2\mathbf{O}$	S
		lbs./1000 ft ²		
2.8	0.50	0.08	0.50	0.19
5.6	1.00	0.17	1.00	0.38

Storage

Product should be stored in a safe, dry area and out of direct sunlight. Estimated shelf life is 12 months. Do not leave unused product in application equipment.

GUARANTEED ANALYSIS

Total Nitrogen (N)	18.00%
0.6% Ammoniacal Nitrogen	
2.9% Urea

Urea, Monoammonium Phosphate, Potassium Sulfate, Feather Meals, Methylene Urea

Net Wt. 50 LBS. (22.7 KG.)

Warning

May Cause Eye and Respiratory Irritation

Precautionary Statements:

- Wear protective goggles or safety glasses equipped with side shields when handling.
- Wear protective gloves and clothing when handling. Remove contaminated clothing and wash before reuse.
- Wash hands and other exposed areas of skin thoroughly after handling.
- · Do not eat or smoke when handling this product.
- Keep out of reach of children.

First Aid

<u>If in Eves</u>: Thoroughly flush with water. If irritation persists, seek medical attention.

If on Skin: Wash thoroughly with soap and water.

<u>If Inhaled</u>: Remove person from exposure. Call 911 if breathing is difficult.

<u>If Ingested</u>: Do not induce vomiting. Seek immediate medical attention.

Have product label with you when seeking medical attention.
